Job Description:

We are looking for a quality engineer to monitor and improve the quality of our operational processes and outputs. The quality engineer's responsibilities include designing as per quality standards (CE, BIS, GMP, GS, ASTM) , inspecting materials, equipment, processes, and products, developing quality control systems, and determining corrective actions. You will also work with managers and supervisors to implement quality systems.

A successful quality engineer should have excellent troubleshooting skills and be able to ensure that processes and products consistently meet established quality standards.

Responsibilities:

- Developing and implementing quality standards.
- Developing and implementing quality control systems.
- Monitoring and analyzing quality performance.
- Inspecting and testing materials, equipment, processes, and products to ensure quality specifications are met.
- Collaborating with operations managers to develop and implement controls and improvements.
- Ensuring that workflows, processes, and products comply with safety regulations.
- Investigating and troubleshooting product or production issues.
- Developing corrective actions, solutions, and improvements.
- Reviewing codes, specifications, and processes..

Requirements:

- B.tech/ M. tech/ PHD in Mechanical/ Mechatronic/ Electrical/ Optics Engineering.
- 2+ years of experience in quality engineering, quality assurance, or a similar role.
- Ability to work under pressure and time constraints.
- Strong communication and interpersonal skills.
- Ability to work independently and in a team environment.
- Excellent problem-solving and analytical skills.
- Fluency in verbal and written English.
- Willingness to travel as needed.
- Valid driver's license.
- Capable of conducting technical and sales presentations to key clients.

We offer a competitive salary, commission-based compensation, and benefits package. If you are a motivated individual with a passion for Industrial Laser machines and automation sales, we encourage you to apply for this exciting opportunity.
