# INTRODUCTION

All art communicates a sense of aesthetics, that is woven intricately into a story with stroke of colors, complications of pattern, design and style and deep sense of emotion. Art innately celebrates the finesse of skilled artists who flawlessly execute the designer's every whim and fancy with detailed perfection. The gift of evoking something deep within your soul, painted across a bone-china wall plate or carefully curated onto a set of glass tumblers or even elegantly printed onto wooden coasters is what drives the design thinkers at Kolorobia. We at Kolorobia understand the value of artistic yet utility based merchandising and corporate gifting and have therefore created array of themes that cater to industry-specific needs that are spread across luxury home decor and art installations and premium quality decorative products.

Indulge in the freedom of personalized gifting and lose yourself in the plethora of enchanting Kolorobia artwork that have been handcrafted to find a place in contemporary Business and Public Forums or trendy workspace interiors and even for gifting the extended family at different occasions.

# COMBO SETS

Whether the bright Gond Art Lamp calls out to you or Mughal inspired candle votives, or even the Old Masters' range, Kolorobia has something for everyone to indulge in. Mix and match across various themes and artistic designs, carefully etched on an extensive array of home decor products.

Jazz up your style with attractive metallic Sippers and colourful Cafe Mugs to brighten your mood. Available in an extensive range of themes, designs and sceneries, at Kolorobia you will be spoilt for choices. Made from the highest quality stainless steel and good quality ceramics, to offer you only the best.

Good art is not just what looks good on the wall, but what how strongly it makes you feel inside.

# WALL PLATE

Add vibrancy and character to your homespace with a plethora of beautifully designed and carefully curated Decorative Wall Plates by Kolorobia. Made from high-quality ceramics and hi-gloss finish to better portray the intricacies of artwork. The easy way to play up the setting of any home space, let your home exude with the finesse of skilled craftsmanship and the alluring beauty of Art.

Inspired by the wild and untamed spirit of the Jungle, with this Jungle theme we explore the tropical vibrancy of Flora and Fauna of our most important natural resource. The dash of colors of exotic birds, alluring animals, strikingly beautiful flowers and lush tropical foliage all add to uplift your mood and stimulate aesthetic appeal.

# DAZZLING IKAT

This decorative Wall Plate celebrates the ornate dyeing technique of “Ikat” of Southeast and Central Asia under Kolorobia’s Dazzling Ikat theme. Traditional patterns of the Ikat are complemented with a colorful blend of orange and pink with a splash of yellow and blue to rev up the style of your home.

# BLUE POTTERY

Invite home the rustic breeze of charming windmills and picturesque harbour bridges of Netherlands, with this wall decor plate. Painted in a traditional Delft blue overtone, let your home resonate with the elegance of cobbled streets and timbered houses with Kolorobia's take on this category of decorative wall plate decor.

# BABUR

Dedicated to 1st Mughal emperor Babur and his inclinations for the charming Char Bagh, this Babur themed home decor wall plate is gorgeous in every sense. Add a sense of beauty and elegance with the embellished floral motifs in leaf and vine patterns. Rev up the aesthetics of your living space with the exuberant colour play.

# VINAYAKA

Celebrate Prosperity, Piety and Wisdom with GANESHA, the Hindu God of New Beginnings, with Kolorobia's premium Vinayaka theme. Adorned with Swarovski Zirconias, the set of designs has been made by a Cancer survivor and parts of the proceeds will be forwarded for the same cause.

The splendid play of color and sparkle motifs will elevate the aesthetics of your home and transform your living space with the sense of devotion and spirituality. These wall plates are especially made to gift family, friends and loved ones.

# EMPORIO

This is Kolorobia's premium range for limited-edition home decor. Dedicated to the fine artwork of Old Masters like Mucha and Klimt, our skilful artists have accurately detailed all artwork with rich, high-quality gem embellishments and pure 18k Gold plating and premium quality fine bone china. The captivating artwork balanced with intricate compositions and elegant appeal makes for a stunning display of unmatched beauty.

# CAMEL GLORY

The sober and dignified look of camel art splashed with vivid colours and the elegant beauty of Nomadic life of Rajasthan. Bring the Life of the Desert into your home with the colourful ghagra-choli of exotic, tribal women gives an extremely charismatic appeal to its surroundings. Inundate your home and office with the radiance of this divine artwork designed lifestyle products. Kolorobia's decorative wall plate fill your living space with a sense of calm and tranquility.

# ENGLISH GARDEN

Add a touch of fine elegance to your home-space and feel the opulence and finesse set in with exclusive home decor by Kolorobia's exclusive (Old) English Series.

Subdued, soft and neutral tones play up the intricate details of meticulous designs of the Hi-tea Garden Party scenes and quaint Old English backyards. The understated colour palette effortlessly draws attention while enhancing any living space set-up.

# RED INDIANS

Revitalise and add freshness to your home-space vibes with Kolorobia's exclusive Native American Theme. Lose yourself in the bright pop of fiery oranges and deep reds and blues, and let the undying spirit of the tribe chief take over and energise your home ambience.

Designed with detailed perfection by skilful Kolorobia artists, the intricate motifs are bound to attract your attention.
